

CIAF WOMEN TO WOMEN PROGRAM APPLICATION

APPLICANT MUST BE A U.S. OR CANADIAN CITIZEN

ONLY COMPLETE APPLICATIONS WILL BE CONSIDERED FOR ASSISTANCE

Information that you provide will be kept strictly confidential. If this application is selected for assistance, the resulting transaction, and any claim or dispute arising out of such transaction, shall be governed by the laws of the state of Illinois. If you have already been awarded, or have sought cochlear implant equipment from another organization (such as the CNI), and are applying for financial assistance for surgical, hospital, or other CI related fees only, please do not apply.

CIAF accepts applications for equipment assistance only. CIAF provides NO monetary assistance whatsoever nor any funding for cochlear implant surgery. All requests for equipment must be verified by the patient's doctor or audiologist. Processors and most equipment will be sent directly to the patient's CI center for programming.

REQUIRED PERSONAL STATEMENT, PHOTO, AND PHOTO RELEASE

CIAF is a 501(c)(3) non-profit organization which relies primarily on donations to help us to provide cochlear implant equipment to qualified applicants without cost to the family or individual in need. As part of our program, we require applicants to complete a personal statement as to how the cochlear implant will improve their life. We also require a photo of each applicant to accompany his/her application. While the personal statement gives a voice to our mission, photographs provide a visual connection for our supporters and helps bring an applicant's story to life. Both components greatly assist us in promoting our mission to help more people hear!

If the applicant is between 13 and 18 years of age, both the applicant and a guardian should write separate statements. If the applicant is less than 13 years of age, a statement from a guardian is sufficient.
